

# Commercial Group

Architecture – Construction – Design Build

WG Pitts' attention to detail has helped to establish our reputation as a superior commercial construction specialist. The WG Pitts project management team has a wealth of experience in a variety commercial and light industrial facilities such as financial institutions, retail centers, office parks and warehouse buildings.

Additionally WG Pitts has extensive experience in the construction of ball stadiums, fitness centers, playgrounds, tennis courts, basketball courts, soccer fields and other sports amenities that add unparalleled value to any facility.

Our experience and resources make the WG Pitts team the best in the business for your construction needs.

## Our Mission

*To acquire and retain clients by serving their needs and exceeding their expectations while upholding the PROMISES<sup>SM</sup> we make.*

## Our Core Values - **PROMISES**

- **Professionalism.** Demonstrate respect and courtesy.
- **Responsibility.** Take personal ownership of actions.
- **On Time Commitment.** Maintain a sense of urgency.
- **Motivation.** Have a determined, *can-do* attitude.
- **Integrity.** Be fair and honest in all matters.
- **Service.** Add value and be solutions-oriented.
- **Excellence.** Produce superior quality workmanship.
- **Safety.** Plan and create an accident free environment.

*We will make decisions and act according to our PROMISES<sup>TM</sup> and no matter how tough the decision may be, we will not compromise. Our Mission, PROMISES<sup>TM</sup>, and employees make WG Pitts the best in the business.*

From the planning stage, where we provide suggestions and ideas; into the design process where we put the ideas to paper; to the construction phase, WG Pitts provides unparalleled value to our clients.
