WG Pitts, a Jacksonville general contracting and design-build firm was named the fastest-growing company in Northeast Florida. The award was presented to the company at The BJ 50, an annual Business Journal event honoring the city's fastest-growing private companies. WG Pitts, which has 20 employees, had a 184.51 percent revenue growth from 1997 to 1999. The company was founded in 1996 as Florida Sports group. No. 2 on list was voice and data cabling company Abacus Digital, No. 3 was Jacksonville general contractor Infinity Design Builders, No. 4 was restaurant chain Firehouse Subs and rounding out the top five was manufactured home finance company, Triad Financial Services.
